Sir,

Subject - Government grant of Rs 3000/- for improvement works in Shiralakoppa Town- Sanction of-

---

In enclosing herewith a copy of the resolution passed by the Municipal Council Shiralakoppa at their meeting held on 26-9-48 × soliciting sanction of Government grant for taking up improvement works in the Town, I write to state that the Municipal Council have not from a very long time attended to repair works of several roads in the town, thus giving rise to frequent complaints The President, Municipal Council was advised to take action for execution of repair works of roads Accordingly, estimates for Rs 11,200/- for repair works of 18 roads in the town have been prepared and got scrutinised by the Assistant Engineer The Municipal Council have realised by way of sale of sites in the town a sum of Rs 11050/- as against a sanctioned provision of Rs 3000/- for the year Hence there is an income of Rs 8050/- over and above the income anticipated and the Council intends to appropriate the excess amount for the repair works

× R

Moreover, as these road repairs and improvements are absolutely necessary and require to be undertaken immediately, as the finances of the Municipality are not sufficient to meet the estimated cost, and as the Municipality intends to utilise the amount realised by sale of sites for this purpose, the Municipality requests that this amount be supplemented by town Improvement Grant I recommend that sanction of Government may be obtained for the grant of a sum of Rs 3000/- since this amount in addition to what the Municipality can spare out of their funds is necessary to execute all the works

Yours faithfully,

For Deputy Commissioner, 27/11
Shimoga District
(Absent from Head quarters).
